

Service Change Effective February 14, 2010

Passport D

Ocean Blvd.

Catalina Landing through the Long Beach Transit Mall to Los Altos Market Center

This route will be revised at its northeast terminus point. After traveling through CSULB, this route will no longer serve Los Altos Market Center (also served by the 90's routes). From Bellflower it will travel west on Atherton to the Traffic Circle where it will loop around using the Outer Traffic Circle, Los Coyotes Diagonal and Ximeno back to Atherton.

Service area to be discontinued, but still served by routes 91, 92, 93, 94, and 96
